

Dear Parent / Guardian:

We are very excited to have the opportunity to attend the "Careers on the Move" fair at the Colonnade on Wednesday, November 2nd, 2011. This is a wonderful opportunity for our sixth graders to familiarize themselves with a variety of career options. This event will be filled with information, programs and activities to heighten your student's awareness of career choices. We plan to leave Ringgold Middle School at 12:30 PM and will return by 3:10 PM. Students will eat lunch before they leave school to attend the field trip. Students do not have to pay for this trip. Please sign below indicating that your child has permission to participate in the "Careers on the Move" fair and return this form with your child tomorrow.
